7th April 2022

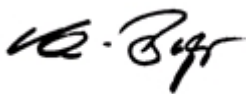

Dear Mr Ingelberts,

Project “tauCAM : The Nanosecond time-domain camera” submitted to the SPIE Photonics Europe Innovation Village, 5th – 6th April 2022, Strasbourg, France

It is my great pleasure to confirm you that you are the first runner-up winner of the 2022 SPIE Photonics Europe Innovation Village, and to congratulate you on your win. The prize money for the first runner-up is EU 500.

Please find attached a photo of the presentation for your purposes. I would like to ask you to advise us of your account details to enable us to send the prize money to you.

Congratulations once again!
Best regards,

Karin Burger
Director
SPIE Europe Ltd
