Dear Mr. Dzokou Talla,

On behalf of the organizing committee, I am pleased to confirm that you attended the winter school “Geometry and analysis of quantum groups.” This event was organized by University of Oslo from December 6 to 10, 2021, and funded by «Pure Mathematics in Norway», which is a part of the Mathematics Programme of the Trond Mohn Foundation with the collaboration of the Tromsø Research Foundation. It is also supported by the Norwegian Research Council through the “Quantum Symmetry” project.

Best regards,

Makoto Yamashita
associate professor
